Streetside appeal

This three bedroom beauty is loaded with convenience and charm. A traditional covered porch shelters entering guests. Lead them into the formal elegance of the living and dining room combination, divided by columns for a spacious feeling and a front-to-back view. A two-way fireplace in the family room creates a warm, comfortable atmosphere. The kitchen and breakfast room adjoin in an open arrangement overlooking the rear deck. The master suite, tucked behind the garage in a quiet corner of the house, shares the backyard view.
